## UPCOMING EVENTS

Feb 4th & 5th MGA Winter Classic

*Happy New Year*

I hope everyone has had a safe and joyous holiday break. I myself made the trip up north to be with my wife's family and to be reminded how cold it is in the winter and why I live here in the south. No complaints though as we had a great time and it is always good to catch up with those that we don't get to see very often anymore and of course the kids made out like bandits.

By the time you have read this letter I was talked into again, by my daughter, to go in the ocean for the Polar Bear swim sponsored by Dunleavy's pub. It is for a great cause (Special Olympics) and I get a great deal of fulfillment in taking part. There is nothing like the smile from these kids as they walk around and help out and watch a bunch of crazy people both young and old take the plunge in 53 degree water. Fun times.

As we start the new year it is a good time to touch base on a few of the procedures for Snee Farm. We often get a lot of complaints from the course either phoned in or brought to our attention after golf that someone is doing something that might not adhere to our rules. Now we can't be every where or see every infraction that is taking place like someone riding too much on someone else's cart when they did not pay or people driving their carts where they are not supposed to. We just don't have the man power. I would ask you as members to either bring it to our attention or say something to the person you are playing with. If they hear it from you they might be more inclined to see their wrong. After all if they do it and don't get caught or told differently, they will continue to do it and that is not good for the masses.

**TEE TIMES:** You can call 4 days in advance for tee times, e.g. call Saturday for Wednesday; call Sunday for both Thursday and Friday; call Tuesday for Friday.

**CARTS:** Each rider is responsible for their share of the cart fee.

**BUNKERS:** Please rake after you hit out of the bunker, the next one in there will appreciate it.

**BALL MARKS:** Fix yours plus one more.

# Snee Farm Update COURSE

I hope everyone had a wonderful holiday. The crew and I are looking forward to getting started with the New Year. We will be working on cleaning out some ditches and also some tree work.

Now that winter is here, we have the dreaded frost delays. This is an inconvenience for the maintenance staff and the golfers, but it is something that must be done to insure good turf health. So please be considerate when there is a frost delay of refraining from using the Driving Range and the other practice areas until the Pro Shop or I have given the OK. Also, we need a few minutes after the frost delay to get the course setup for play that day. I appreciate your patience over these next couple of months

Please remember to fix all ball marks and fill all divots. This is a critical element in keeping the greens rolling true through out the winter.

Golf Course Superintendent

*Snee Farm Golf continued...*

**STARTING:** All golfers need to start from the club house.

**GUESTS:** Register all guests in the pro shop.

**HOLE-IN-ONE CLUB:** Ask about it in the pro shop. A good way to grab some pro shop credit if you are lucky enough.

COMING JANUARY  
JUST FOR KIDS

SNEE FARM CLUB  
RENOVATION IS  
HAPPENING NOW!

HOLIDAY KIDS CAMP  
WAS PURE FUN...  
A BIG THANKS TO ALL!

*The Staff at Snee Farm Tennis would like to wish everyone a Happy New Year!  
We can't wait to get things swinging in 2012.*

## THIS IS THE YEAR... TO DO IT ALL!

**Do it all this year!** That means try to participate in all the new events coming your way through our new Tennis Social Committee. Also I recommend you play in a real USTA Tournament ...you'll be glad you did. Nothing gives your game the edge that playing in a real tournament can give." Also try the Women's Drill on Saturday ...or maybe get on a team this year. But #1 on your calendar should be the 2012 Snee Farm Grand Prix Events. Do It All!

### USTA RISING STARS

We are rescheduling our Rising Stars tournament because of a USTA web based problem that has been corrected ...we will have the new date soon.

### HOLIDAY CAMP

Rich & Rob would like to thank all the kids and parents that supported our fun little camp.

## Renovation Underway!

The Snee Farm Country Club renovation is currently underway. If you hear hammers banging away ...it's the beautiful sound of progress. If you would like to see the complete plans just stop in the pro shop. We have the architects drawings on display that shows all the many new and exciting changes about to happen. Nice ...really nice!
